

Center for Public Investment Management Certification Fee Invoice

An annual certification fee of \$100 is required for any public funds manager who is required to meet the continuing education requirements pursuant to Ohio Revised Code Sections 135.22 or 321.46. Participants will be able to attend any CPIM-sponsored conference(s) without any additional charge from the Ohio Treasurer's Office.

Upon receipt of the certification fee, you will be credited with any hours earned at either a CPIM-sponsored conference or association training accredited by CPIM. Once you have earned your required number of hours, you will receive your Certificate of Program Completion this fall.
