All information contained herein is for informational purposes and should not be construed as investment advice. It does not constitute an offer, solicitation or recommendation to purchase any security. STAR Plus is powered by the Federally Insured Cash Account® ('FICA') program, for which StoneCastle Cash Management is the advisor. StoneCastle Cash Management, LLC is a Registered Investment Advisor with the United States Securities and Exchange Commission (SEC). Performance quoted represents past performance, which is no guarantee of future results. Neither STAR Plus nor FICA® are members of FDIC, but the banks where money is deposited are FDIC members. The FDIC is an independent agency of the U.S. government that protects the funds depositors place in FDIC insured institutions up to \$250,000 per institution. FDIC deposit insurance is backed by the full faith and credit of the U.S. government. FICA® satisfies the FDIC's requirements for agency pass-through deposit insurance coverage. If a participant has cash deposited independently from the FICA program at a depository institution that is in the FICA® network then such participant may not receive full FDIC insurance coverage on deposits at those institutions. Funds may be submitted for deposit only after a depositor enters into an administrative agreement.
