

JOSH MANDEL

STATE TREASURER OF OHIO

AKRON – Ohio Treasurer Josh Mandel's office hosted a Center for Public Investment Management (CPIM) conference today at the University of Akron. CPIM provides local government investment officers with continuing education training as they work to safeguard taxpayer dollars.

Public funds officials in Ohio are required by law to receive continuing education credits in the areas of investment and management of public finances. The conference covers a variety of topics and provides comprehensive financial training that benefits public funds managers at all levels of experience.

"It is important that we give public funds managers the tools that they need to make the best possible decisions on behalf of their constituents," said Treasurer Mandel. "CPIM gives fiscal officers an opportunity to gather and share best practices on how to successfully protect and invest Ohio's tax dollars."

The Ohio Treasurer's office offers CPIM Conferences throughout the year, as well as courses online, to help government finance officers meet their continuing education requirements while increasing their knowledge as they work to effectively manage and safeguard Ohio's tax dollars.
